Here at the Kentucky Alcohol & Drug Rehab & Addiction Treatment Center Near Covington, we understand that no one size fits all treatment plans when it comes to overcoming addiction. Addiction is a disease that requires treatment, and as such, our treatment plans are personalized to each individual we help overcome their addiction. Our Covington Kentucky Clinic offers a wide range of services tailored to help recovery from substance abuse to ensure long-term success.

Services Offered in Kentucky Alcohol & Drug Rehab & Addiction Treatment Center Near Covington

Treating addiction and removing dependency on substances is a journey. Removing yourself from the grip of addiction requires changes in all areas of your life to help you overcome the reasons why you become addicted and how you can stop yourself from relapsing in the future. If you or a loved one are struggling with alcohol or substance abuse and need help overcoming your addiction, then the Kentucky Alcohol & Drug Rehab & Addiction Treatment Center Near Covington can help you start your recovery and provide high-quality treatment and care to enable lasting success.

Detoxification

Breaking your dependency on drugs or alcohol is hard, and each year over 95,000 people die from substance abuse. Completing the **detoxification process** with support is something you can do at Kentucky Alcohol & Drug Rehab & Addiction Treatment Center Near Covington.

Residential Inpatient

Get the care you need as an inpatient to help you overcome your addiction at the Kentucky Alcohol & Drug Rehab & Addiction Treatment Center Near Covington. Addiction is a mental illness, and our inpatient treatment allows you to start your recovery in a safe environment with people that understand what you are going through.

Partial Hospitalisation

Deciding to get clean and sober is the first step on your journey to overcoming your addiction. Even if you think you have your addiction under control, chances are, it has you under its control. Partial inpatient treatment allows the flexibility of regaining control of your life as you treat your addiction.

Intensive Outpatient

Kentucky Alcohol & Drug Rehab & Addiction Treatment Center Near Covington provides thoroughly **intensive outpatient programs** ideal for the growing number of Kentuckians who need to address their addiction and carry on with their lives. Life doesn't stop, but we can help you overcome your substance abuse problems.

Outpatient Program

Outpatient rehab in Kentucky is one way we can help give you the support needed to quit your addictions in a way that suits your needs and goals. Once you discover a treatment plan that works for you, you can start to kick your habit, knowing you have support and advice to help you succeed at getting sober.

Family Therapy and Programme

Addiction doesn't just affect the addict. It impacts their whole lives and those around them who love and care for them. Family members get the brunt of pain and misery caused by addiction. Family therapy is a crucial part of drug and alcohol recovery in Kentucky. At Kentucky Alcohol & Drug Rehab & Addiction Treatment Center Near Covington, we help the whole family recover from substance abuse trauma and identify what might have caused this pattern of behavior and how to stop it going forward.

Aftercare Planning

Addiction treatment in Covington, Kentucky, doesn't stop at the end of a substance abuse program. We understand that those recovering from addiction need further help and support after the initial treatment to help them avoid falling back into old habits. Aftercare planning helps give you the foundations to make lasting changes and identify how you can stay sober.

Alcoholism

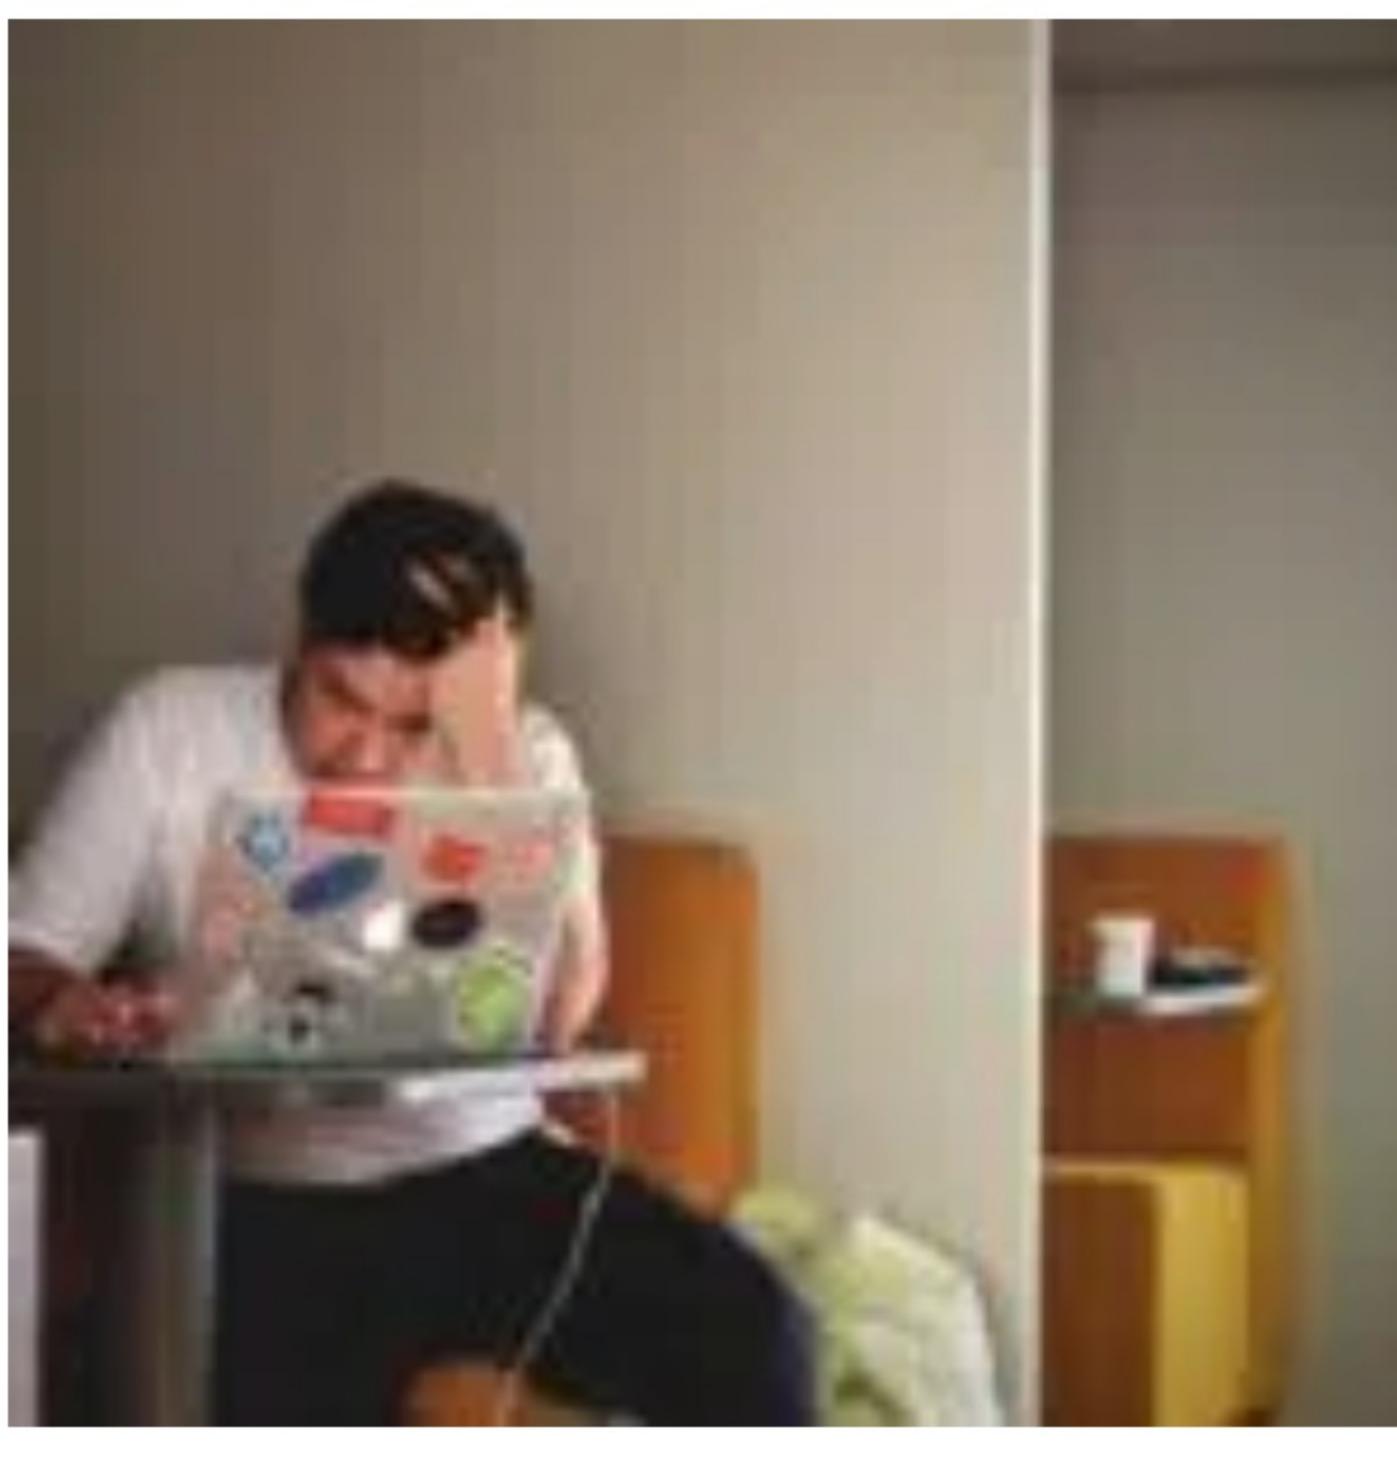

Kentucky has the third-highest rate of alcoholism in the United States. Alcohol rehab in Kentucky can help you break the cycle of pain and misery that alcoholism can cause those who rely on alcohol to get through their lives. Avoid the health conditions related to alcoholism by looking at what you can recover from an alcohol addiction affecting both you and those around you.

Drug Abuse

More and more Kentuckians are having their lives affected by drug and substance abuse. With a rise in prescription drug abuse across the US, getting the right **treatment for drug abuse** can help you to break free from the devastating impact addiction can have on not only those gripped by addiction but loved ones too.

At Kentucky Alcohol & Drug Rehab & Addiction Treatment Center Near Covington, we have an extensive range of treatment plans available to those seeking help from addiction. Our approach to addiction is based on each patient's individual needs and requirements and works alongside them to help them in a beneficial way to break their cycle of addiction and build the foundation for success.
